compatible**

TRUE grounded

Compatible + Dependent
Q: capital of Germany?
E: Berlin -> ans. Berlin
delete E -> ans. flips

post-rationalization

Compatible + Independent
Q: capital of Germany?
E: Berlin -> ans. Berlin
delete E -> ans. Berlin
(parametric answer)

ACCEPT

flag this

**Evidence
incompatible**

follows evidence

Incompatible + Dependent
rewrite breaks the fact;
ans. changed because
evidence changed
delete E -> ans. flips

ignores evidence

Incompatible + Independent
ans. disagrees with E
delete E -> ans. unchanged
collapse point:
true->changed;
false->unchanged
